

Hopkins County Schools

AHERA Annual Notice

TO: Parents, Guardians, Teachers and School Employees
FROM: Amy Taylor, LEA Designee
SUBJECT: Asbestos Management Plan for Hopkins County Schools
2020-2021 Academic School Year
Date: July 1, 2020

This notice informs you that Hopkins County Schools complies with the Asbestos Hazard Emergency Response Act (AHERA- EPA 40 CFR Part 763). AHERA requires school systems to inspect their buildings for asbestos containing building materials and to have a written asbestos management plan.

An Asbestos Management Plan for the school district is available for review at the Central Office during normal business hours. Please contact me if you would like to view this Plan. A copy of the Plan is also available at each school.

ASBESTOS NOTIFICATION

We realize that parent and staff are concerned about asbestos safety. While most of our buildings are asbestos-free, there is still asbestos floor tile in some areas of the older buildings. We maintain these materials in a safe condition by ongoing surveillance, re-inspections, and an Operations and Maintenance Program.

In accordance with Kentucky and Federal Law, we maintain an Asbestos Management Plan for each building in the system. This plan is available in the principal's office at your school, and a copy of each school's plan along with OSHA standard 1910.1001, which covers occupational exposures to asbestos, is also kept in the Facilities Department at the Central Office. You are welcome to inspect and copy these plans during regular business hours. If you have any questions about our asbestos program, please call Amy Taylor, Asbestos LEA for the Hopkins County School system, at 270-825-6050.
