MNHHS YSC HOLIDAY ASSISTANCE REQUIREMENTS FOR THANKSGIVING AND CHRISTMAS

Parents must contact the YSC at 825-6133 and register by November 1, 2019. The Madisonville North Hopkins YSC has a holiday assistance policy that states: parents must attend **TWO** workshops. If you are unable to attend the workshops then the YSC will not be able to assist your family. You must attend two of these approved sponsored events to receive assistance for the holiday. You may choose among the above list. Your information will be cross referenced with other agencies in Hopkins County. Families will only be able to receive assistance from one agency. The MNHHS YSC provides Holiday Assistance through donations only. We will make every effort to serve your student, but there are no guarantees.
