Dear Parents and Guardians of BSMS Students:

Browning Springs Middle School will offer Extended School Services beginning Tuesday, October 2 to enhance the present level of performance of students who are having difficulty in one or more content areas.

What are the benefits?

Opportunities to build skills that enhance learning
Opportunities to belong and be a part of a community
Opportunities to build strong relationships with adults or other mentors
Opportunities to make connections with peers

Do I need to arrange transportation?

Yes, transportation will **NOT** be provided. Please arrange for someone to pick up your student promptly at 3:40.

Do I need to supply any materials?

This is a time for students to bring homework, make up any missing assignments, or teachers will have specific curriculum to help students improve performance.

How does Extended School help my grade?

In the morning, if students attend ESS they will receive .125 points to their overall grade. 8 morning visits would equal 1 point on the final grade average. In the afternoon, if students attend ESS they will receive .25 points to their overall grade. 4 afternoon visits would equal 1 point on the final average grade.

What are the expectations?

Students must be on time for ESS
Students must stay for the entire length of ESS
Students must be working, if not they may be asked to leave
Students who do not meet expectations will receive no points

A schedule of ESS has been included.

Please call or e-mail Kacey Evans with any questions/concerns: (270) 825-6006,
