**Frequently Asked Questions**

- **What's the difference between the existing Mobile Portal and the new Campus Student and Campus Parent apps?**
  - Because the new mobile apps are powered by Campus Student and Campus Parent, they include a greater number of tools and functions. Once the mobile apps are released, they will include all of the tools currently available in Campus Student and Campus Parent. As new tools are added to the web applications, they will also be added to the mobile apps.
- **Will Campus Portal on the computer change?**
  - No, Campus portal on computer will remain until all features have been rolled out to Campus Student and Campus Parent. Portal users can see the new layout on computers by clicking on the bright green button at top right of Campus Portal. Once all tools have been rolled out, Campus Portal will no longer exist and the Campus Student and Campus Parent will be activated as separate portals.
